## DASHED TO THE PAVEMENT

Baby Injured During Run-away.

DRIVERLESS CAB TEAM

Crashed Into Buggy on Prospect Street.

Shock Throws the Little Daughter of Mrs. G. M. Kammerur Into the Street.

The three-month-old baby girl of Mrs. G. M. Kammerur, residing three miles north of the city, was badly injured, possibly fatally, in a runaway accident on South Prospect street, late Tuesday afternoon. The infant was thrown from its mother's arms and fell on the street pavement, sustaining injuries which may prove serious. Three physicians were called to the scene of the accident to attend the injured babe.

Mrs. Kammerur was in a carriage with her baby and her eleven year old boy, driving north on Prospect street, when a driverless cab owned by Cap Drake came down the hill drawn by a team of frightened horses. The cab horses collided with the rear of Mrs. Kammerur's carriage and the jar caused her to loosen her hold on the baby.

When the collision occurred Mrs. Kammerur's horse became frightened and ran away, with the cab team dashing along close at the rear. Shortly before reaching Columbia street Mrs. Kammerur and her son were thrown out but escaped uninjured. The frightened horse were caught at Columbia street. The carriage was completely

## CONTRACTS FOR PAVING

Awarded by Public Service Board.

WORK WILL BE RUSHED

Must all be Completed by December 20.

Contractors Notified to Push the Work of Laying Sidewalks and Street Crossings.

Contracts were awarded for the paving of Mary, Elm and George streets and for the construction of several sanitary sewers at a regular meeting of the Board of Public Service held last night. A multitude of minor matters was also given attention by the board.

A petition was received from a majority of the residents of Mary street, asking that their thoroughfare be paved with Metropolitan brick and was placed on file. The contract was awarded to P. Drake and Sons who will pave the street with Metropolitan brick, using Murphy grout filler. The firm's bid was \$6,452.70. The bond was fixed at \$2300 and the work will be completed by December 20.

Hofstetter and Dawson were awarded the contract for the paving of Elm street with Twentieth Century brick and Murphy grout filler on a bid of \$5,419.25. The contractors will give bond in the sum of \$2800 and will complete the work by December 20.

On their bid of \$2,414.33, Uncapher and Scott were awarded the contract for the paving of George street. Athens block with grout filler will be used in the work. The bond of the contractor was made \$1300 and the work is to be finished by December 20.

Joseph Murphy secured the contracts for the construction of sanitary sewers on Herr street for \$777.75; on Bellevue avenue for \$651.48; on Avondale street for \$1389.25 and on an alley between Prospect and Oak streets for \$612.

P. Drake and Sons secured the Haine street sewer on a bid of \$1395.80 and Hofstetter and Dawson, the Superior street sewer for \$376.90. A. J. Brady, the contractor, was lower than the estimates of the ones accepted in several cases but his proposals were not made in the regular form and he did not accompany his estimates with a certified check for which reasons his bids were not considered.

The clerk was instructed to advertise for bids for the widening of Court street and the widening of the first alley east of the court house. Both thoroughfares are to be made four feet wider. The stone flagging about the court house will be removed, the curbing moved back and the pavement extended a distance of four feet which will relieve the congested traffic conditions to a great extent. The bids will be opened October 1.

The bond and contract of W. S. Staley, for the construction of a pavilion in Lincoln park and a band stand in Garfield park were received and accepted by the board.

The board received and accepted the bond and contract of John Kinsler who will construct sandstone sidewalks on Avondale, Farming, Niles, Seftner, Garfield, Mediam, Summit, Tully and Prospect streets. The bond and contract of Joe Murphy for the construction of a water drain on Grand avenue from George street to the south line of the Big Four railroad, was received and accepted.

A request that the board take up the question of paving South Prospect street from the corporation line to the south limit of McKinley park was received from the council. The members stated that they were not sure that a city board has power to order pavements constructed in the country even though property owners along the route agree to pay their part of the cost of construction. It was decided to refer the question to the city solicitor for an opinion.

A petition for a sanitary sewer and cellar drain on Bennett street was read by the clerk. It was decided to return the petition to the property owners who will draw another one in the proper form. In the meantime the city engineer will look over the ground and advise the property owners as to the best point of outlet for the sewer.

A number of estimates for the construction of a sanitary sewer into the North school building were received by the board and were referred to the members of the school board.

The members want the contractors to rush work on the sidewalks which have been ordered, as school children are compelled in many cases to wade through mud almost knee deep in order to get to school. This is particularly true in the neighborhood of the Olney avenue building. The street commissioner was instructed to lay several alley walks in order to make it unnecessary for children to go several squares out of their way

in crossing from Main and Prospect streets to the North School building. Bills amounting to \$6900 were allowed and ordered paid.

At the meeting of the Health board following, the sanitary officer reported seven new cases of typhoid fever.

Strelitz Bros., owners of a property located at 139 South Main street, were ordered to install sanitary plumbing in their building at once.

The child was bruised about the head and arms but no bones were broken.

## DECISION IS REVERSED

"Lid" Cases to be Heard Again.

CIRCUIT COURT JUDGES

Of Opinion That the Lower Court Erred.

Should Not Have Refused to Consider The Care And Weight of the Evidence.

The circuit court, in session Wednesday, reversed the decision given by Judge Young in the "lid" cases. The cases were those of Nelson Abel, Frank Kennedy and Jack O'Keefe, local saloonists charged with violating the saloon closing ordinance.

The circuit court ruled that Judge Young erred in refusing to consider the care and weight of the evidence in these cases and for that reason all three were remanded back to the court of common pleas for re-hearing.

The saloonists were arrested and fined in the mayor's court and all three took their cases to the court of common pleas on error. Judge Young sustained the mayor and said that he had no power to consider the weight of the evidence. The circuit court did not pass on other alleged errors. Judgment for costs was placed against the defendants in error.

The circuit court has been busily at work since going into session, Monday afternoon and will be practically through at the close of this afternoon's session.

The case of Oliver Monnett and others against F. M. Epley and others, county commissioners, has been carried over until Friday afternoon and will be the last matter taken up. This case is the one relating to the dredging of the Little Scioto river. It will be heard on its merits and it is likely that the decision of the circuit court will be final. Judge Norris, being regarded as an interested party, will not sit in this case and a visiting judge will be called in to take his place.

The case of the Central Union Telephone company against the Morral Telephone company and others have been continued, pending settlement. It has been announced that the merger of the Bell and Marion County Telephone companies interests will result in a final settlement.

The suit of Frank A. Huber and others, executors of the last will and testament of Edward Huber, against the Marion Malleable Iron company, was argued on the demurrer of D. W. Murphy and F. A. Huber and others to the answer and cross petition of William P. Murphy.

The alimony suit of Orpha J. Koch against Charles F. Koch has been continued by agreement of counsel. The order of alimony given in the court of common pleas is continued in force.

The damage suit of the Pennsylvania Railway company against Thomas Riley has been heard and submitted.

The case of Ida Uncapher against the state of Ohio was argued and submitted, Tuesday. Mrs. Uncapher was found guilty in the court of common pleas of threatening in a menacing manner and she took the case up on error.

The suit of the Big Four railway company against L. M. Hipsher has been continued by agreement of counsel.

The suit of Emma O. Gamble against W. M. Jackson and others and the suit of the Adams Express company against H. D. Fitzell and others have been continued by agreement of counsel.

The damage suit of Orlando Fehl, administrator, against the Big Four Railway company has been argued and submitted.

## HUNEKE-PINYERD NUPTIALS PERFORMED

Ceremony Takes Place Wednesday at High Noon.

Miss Lillian S. Huneke and Verne Pinyard Popular Young People to Wed.

At high noon Wednesday, Mr. Verne Pinyard and Miss Lillian S. Huneke, daughter of Mrs. Augusta Huneke, were united in marriage at the Huneke residence, 602 South Prospect street.

The ceremony was performed by Rev. Herman Beyer, of Cleveland, who is a brother-in-law of the bride. A company of forty relatives and intimate friends witnessed the ceremony.

The home was tastefully decorated with flowers, palms, ferns and snailshells, the color scheme being pink, white and green. The ceremony was performed in front of a massive bank of palms. The bride was attended by Miss Bonnie Pinyard, a sister of the groom and the groom was attended by Mr. Paul Huneke, of Columbus, a brother of the bride. The bride was charming in a gown of white silk. She carried bride's roses. The bridesmaid wore a pretty gown of pink silk.

After the ceremony and the incident congratulations, a five course wedding dinner was served in the dining room.

The bride is a charming young woman. She has resided in this city most of her life and has a host of friends who wish her much happiness. Until recently she was employed at the Landon store. The groom is the son of Mr. and Mrs. M. H. Pinyard, of John street. He is employed in a responsible position at the Huber shops.

Mr. and Mrs. Pinyard left, after the ceremony for a trip to the Eastern part of the state. They will be at home on their return at a cozy residence on John street which the groom furnished.

Be sure and attend the "Hot Tamala" supper First Presbyterian church, Friday evening, 5:30.

O'LEARY SHOWS EFFECT OF HIS LONG WALK

Cincinnati, Sept. 18.—While still in perfect physical condition, the mental strain of the great task he has undertaken is beginning to tell on Dan O'Leary, who is attempting to walk 1,000 miles in 1,000 hours at Norwood Inn.

During his short sleep O'Leary jumps off his cot and would start his walk, fearing to oversleep himself. His trainers quiet him and send him back to his room. At noon today he started his 238th mile.
